I'm currently incarcerated at the Sheridan Correctional center 4017 E. 2603 RD, Sheridan IL, 60551. I bring this claim in a timely matter the incident of neglect and disregards of my 14th amendment rights to equal protection with medical attention that left my left index finger damaged for life. I state the following to place and is true to the best of my knowledge, that on or about 7-3-09 approx 12:45 AM I was arrested by officer Schwartz from north Chicago police department Lake County IL, responding to an altercation. In results of altercation I was left with a severe deep hideous wound and in need of medical attention. I frantically alerted officer of my injury and the need for medical attention but instead I was plainly mock and ignored by officer Schwartz replied, "you wasn't thinking about your finger when you was fighting" then became verbally abusive and unprofessional. After being taken into custody but during the process the atrocious bleeding and swelling persisted, after making it to station I was placed in a cell and medical request was again denied. For approx 4 to 6 hrs I awaited to be transported to Lake County courts for bond hearing and with the repetition of discouragement from officer Schwartz including my severe anguish my mental stability was subdued and very unsound, therefore I vaguely remember the names of transporting officers.

Revised 9/2007

- Once entering waiting room for court I alerted a luke county correctional officer of my injury ^{black male} name unknown he stated I should have been seen by a doctor before being brought to court. After court I was then taken to see the nurse black female name unknown. Once I seen the nurse I alerted her of my injury she asked how it was done I said I punched someone in the teeth and I also said I think it's broken. She replied she would only be able to clean it and stabilize it with surgical tape until I'm able to see the luke county jail physician. Due to incompetence and total disregard from officer schwartz I suffered a vast amount of physical and mental ~~and~~ anguish and discomfort.

V. Relief:

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

My suit is ^{For} in damages 200,000, For permanent physical and mental
damages and also legal Fines and costs
